

The Florida Bar News

May 15, 2010

GOV. CHARLIE CRIST, right, presented Florida Bar President Jesse Diner with a signed proclamation recognizing May 1 as Law Day in Florida. This year's Law Day theme is "Law in the 21st Century: Enduring Traditions, Emerging Challenges." Voluntary bars and their members traditionally sponsor events in their area that enhance the public's understanding of the law and the legal system, including speaking engagements at local schools, mock trial competitions, community forums and discussions, legal advice clinics, and essay and poster contests. The events are designed to promote public understanding of the rule of law and the role of the legal profession.
